### Financial Information

There is no cost to participate in this program. However the full value of the program per participant is \$750. If your family is able to make a donation it will help us offer this program again next year. Donations may be made out to the Bishop Rotary Foundation and will be accepted with your application or any time prior to the beginning of the program.

Because each and every spot is valuable we want to ensure that everyone who signs up actually shows up. So a deposit of \$100 is required with each application. The deposit will be held by Bishop Rotary and will be refunded at the conclusion of the program. If you sign up but do not show up FOR ANY REASON your deposit is forfeited. Cancellations are allowed with a full refund with thirty days notice.

If the deposit requirement would cause a financial hardship, or prevent you from participating in the program a fee waiver may be available. Please use the space below to provide a statement of need for a waiver from the deposit requirement. This will have no bearing on whether or not you are selected.

### Certification and conditions

By signing below you certify that the information you have provided on this form and the medical information form is true and accurate to the best of your knowledge. You further agree that if you need to cancel your participation in the program you will provide at least thirty days notice. The Eastern Sierra Youth Outdoor program takes place in a remote settings where rescue is difficult and definitive medical care is several hours away. Experienced wilderness guides with emergency medical training help coach and lead the way but you are the best judge of your ability to participate on the program. During the program you will be staying at a campground and in the adjacent backcountry. Elevations range from 7,000' to as high as 11,000' in the backcountry. Every activity we will be doing involves options - you get to choose what you do and do not do, within a framework of required hiking and carrying of a pack. Options include hiking, beginner-level rock climbing, a 3 - 5 mile hike to our base camp and more.

We use the information on this form to help you make good decisions regarding your participation on the program, and to facilitate treatment should a problem arise. Thank you for taking the time to thoroughly answer all questions on this form. If we have any question about your ability to safely participate in the program we will discuss the issue with you, and if you have any questions we invite you to contact us. # PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of the Eastern Sierra Youth Outdoors program, Bishop Rotary Clubs, Eastside Sports, Inc, Sierra Mountain Center and their agents, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as ESYO), I hereby agree to release, indemnify, and discharge ESYO, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that hiking, camping, backpacking, and rock climbing entail known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

**The risks include, among other things:** accidents involving the hazards of walking on uneven terrain; collision with fixed or movable objects; weather conditions; head injuries can occur; slipping and falling; falling objects; water hazards; exhaustion; exposure to temperature and weather extremes which could cause hypothermia, hyperthermia (heat related illness), heat exhaustion, sunburn, dehydration; and exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; pinches, scrapes, twists and jolts, scratches, bruises, sprains, lacerations, fractures, concussions, or even more severe life threatening hazards; equipment failure; and improper lifting or carrying; my own physical condition, and the physical exertion associated with this activity; accidents or illness can occur in remote places without medical facilities and emergency treatment or other services rendered; consumption of food or drink; the condition of roads, terrain, or highways and accidents connected with their use.

Furthermore, ESYO staff have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless ESYO from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of ESYO's equipment or facilities, **including any such claims which allege negligent acts or omissions of ESYO (but not gross negligence or willful, wanton or criminal misconduct).**

4. Should ESYO or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against ESYO I agree to do so solely in the state of California, and I further agree that the substantive law of California shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

**By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against ESYO on the basis of any claim from which I have released herein.**

**I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.**
